MAD Shed Update

To our MAD members, family and friends, I am thrilled to announce that we are over halfway there to getting the resources to build our new storage shed! I met with our shed planning team recently to chart a path forward and we are now in the process of working all of the logistics and making decisions. Our goal is to be able to start building/installing a shed behind the Rec Center just after *Beauty and the Beast* opens in late October/early November. Please check out our MAD home page at www.madtheater.org to see how you can help.

Again, Thanks to All,
-Kim Weaver
